# Find Glooko® in the Epic Showroom

Glooko Patient Portal for Professionals provides clinicians with one-click access to patients' most up-to-date diabetes management device data directly within Epic.

Increased Time Savings
Direct integration eliminates the need for a separate Glooko login and **simplifies data access**.

Streamline Workflows
Access patient data **directly within your Epic** enviornment.

Enhanced Interoperability
Leverages the SMART on FHIR standard for **secure and efficient data exhange**.

Contact us via the Epic App Showroom or reach out to Glooko's EHR Implementation team at API@glooko.com to learn more.
